

Experience World-Class Learning — and Unforgettable Evenings — at SINR 2025!

Join us for the 2025 **Saugatuck Institute for Neuropsychological Rehabilitation Conference** — an immersive event blending cutting-edge science with the unique charm and community spirit of Saugatuck, Michigan.

Food, conversation, and world-class music — all included with your registration!

In addition to a dynamic educational program featuring international experts in neuropsychological rehabilitation, we are thrilled to offer two exceptional evening events designed to foster collegiality, collaboration, and networking among participants:

Welcome Reception, Dinner, and Jazz Concert

Tuesday, June 3 | 5:30 PM | Saugatuck Women's Club

Kick off SINR 2025 with a lively evening of great food, warm conversation, and outstanding music. Enjoy a delicious dinner and a private jazz concert by **Jim Cooper**, nationally recognized vibraphonist, composer, and bandleader (jimcooper.net). Relax and reconnect with colleagues—or meet new ones—at this historic and intimate venue in the heart of Saugatuck.

Evening Cruise on the Star of Saugatuck

Wednesday, June 4 | 5:30 PM | Departing from Saugatuck Dock

Unwind after a full day of learning with a **private riverboat cruise** aboard the iconic **Star of Saugatuck** (saugatuckboatcruises.com). Enjoy appetizers, a cash bar, and spectacular views of the Kalamazoo River and Lake Michigan. This relaxing, informal evening offers the perfect setting for informal networking, conversation, and soaking in the natural beauty

that makes Saugatuck a beloved destination.

Why Attend SINR 2025?

- Cutting-edge educational sessions from leading experts
- Workshops offering hands-on skills for managing executive dysfunction
- Purposefully designed opportunities for connection and collaboration with like-minded colleagues
- A welcoming, collegial atmosphere that supports professional growth

 **Reserve Your Spot Today!**

Evening events are included with registration — but spaces are limited!
